Camouflaged Sisters chronicles the courageous path of fourteen women who overcame various internal and external struggles during their military careers. These veterans give open accounts of how they adapted, achieved work-life balance, relied on their faith, and used mentorship as a vital tool in their success pre- and post-military career.

Expect to be inspired by black women who fight for our homeland, while simultaneously battling to protect and preserve the assets most important to them. If you're entering, serving or transitioning back into civilian life, this guide is a must read to support you in your honorable journey.
